Welcome,

We are glad you have chosen Dr. Jaimela J Dulaney and her staff. We are dedicated providers of cardiology services, primary care services, and preventative medicine services. Our goal is to assist you in achieving your optimal health and wellness .

To serve you most efficiently, we will need your most recent medical records. Any records of recent procedures such as a heart catheterization, coronary stent procedure or bypass as well as recent laboratories will be most helpful. We would also like to obtain any diagnostic test records such as ultrasounds, echocardiograms or stress testing so that we can review the information prior to your appointment. You will find a Medical Records Release Form available at doctordulaney.com under the tab becoming our patient. Please feel free to call the office for assistance if needed. This allows us to gather the information that you may not have in your possession.

Please fill out the Medical History Questionnaire, and Medical Records Release in advance and return them to our office so that we may proceed in scheduling your appointment.

Thank you for trusting us with your health and wellness !!

Sincerely,

Jami Dulaney, MD and Staff

SYMPTOM SURVEY

Patient Name:_____Date:_____

Completing this form is particularly helpful if you have experienced persistent and bothersome symptoms from more than one category below. Score every symptom based on your experience over the last 30 days. Start with the first symptom and ask yourself, "Lately, have I experienced this symptom?" If you answer no or almost not at all, then write a "0" in the corresponding field. If the answer is yes, then ask yourself if you experience the symptom occasionally (less than 2 times in a week) or frequently (2 or more times in a week). After you have decided on the frequency, then ask yourself if the symptom is "Severe" or "Not Severe". Using the SCALE OF SYMPTOM POINTS listed below, write the appropriate score in the corresponding field for EVERY symptom listed. Total the points for each category, and add all category totals to come up with the Grand Total.

SCALE OF SYMPTOM POINTS: 0 = Do Not Suffer From This Ever or Almost Ever 1 = Suffer OCCASSIONALLY (less than 2 times per week), is not severe 2 = Suffer FREQUENTLY (2 or more times per week), is not severe 3 = Suffer OCCASSIONALLY and is severe 4 = Suffer FREQUENTLY and is severe	Grand Total:
